RANCHO CUCAMONGA, CA 91730

Expires: 12/31/2017

Authorized Use Of This Registration Is Restricted To California Registered Transporters

December 1, 2016

To: Inedible Kitchen Grease (IKG) Transporters, Collection Centers and Renderers

Enclosed is a registration decal(s) for your truck(s) for 2017. It is important that you immediately and permanently attach each decal, using the adhesive on the decal, to the **upper right corner** of the windshield on the corresponding vehicle identified on your registration form.

Vehicle Code 2482. (a) To assist law enforcement personnel in enforcing this article, each vehicle transporting inedible kitchen grease shall have a current registration decal issued by the Department of Food and Agriculture permanently affixed and prominently displayed on the upper right corner of the vehicle windshield or in a conspicuous location on the right side of the trailer being towed.

It is **REQUIRED** that all registered vehicles have a current copy of the 2017 registration in all vehicles at all times.

REMINDER: The enclosed decal(s) will not be replaced unless full payment for a new vehicle registration is received and a written statement that explains why a replacement is necessary. Exceptions to this policy will be made only if the original decal is returned and a replacement for the same vehicle is needed. For example, if a windshield is broken, the decal can be returned and replaced for no charge.

Please contact the number below if you have any questions.

Thank you for your cooperation,

Laura Barlow
Agriculture Program Supervisor
Rendering Program Lead
